SAFETY MEASURES & ADVICE
FIREWORKS 2026

Safety Measures:

In the fireworks launch area, entering the safety perimeter is strictly prohibited.

Please remain outside the marked safety zones on the beaches.

In an emergency, approach any member of the security and/or emergency services.

If required, follow the instructions of the security and/or emergency services at all times.

Advice:

We recommend arriving in Blanes in good time. This will make it easier to find parking and enjoy other attractions in the town.

Please use the free parking areas provided for the event.
After the fireworks, it's best not to leave the town immediately, as this allows for a calmer, more staggered exit.

For the main routes into and out of Blanes, you may use:

1. Avinguda d'Europa
2. Carrer Mas Vaixeller
3. Avinguda dels Pavos
4. Carrer Anselm Clavé
5. Avinguda Joan Carles I
